www.papacambridge.com MARK SCHEME for the October/November 2012 series

8693 ENGLISH LANGUAGE

8693/21

Paper 2 (Composition), maximum raw mark 50

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge will not enter into discussions about these mark schemes.

Cambridge is publishing the mark schemes for the October/November 2012 series for most IGCSE. GCE Advanced Level and Advanced Subsidiary Level components and some Ordinary Level components.

Assessment Objectives

- Knowledge and understanding of features of English Language.
- Ability to write clearly, accurately and effectively for a particular purpose or audience.

Canibridge.com Each composition is marked out of 25 marks, in accordance with the following general marking criteria.

To achieve Band 5 or above work needs to address the task chosen appropriately.

Candidates need to observe the 600-900 word length for each section of the paper. If the question involves two parts, this should be interpreted as 300-450 words for each.

If they produce short work, candidates will inevitably limit the marks that can be awarded for their answer(s).

Band 2	18–21	 Imaginative approach to task, appropriate to audience and engaging interest; Effective, appropriate structure, with a strong sense of purpose; a strong voice; Language used to create specific effects on the reader, narrative or descriptive as appropriate; Fluent expression achieves effects; occasional technical errors will not impede expression. 	
Band 3	14–17	 Consistent focus on a relevant form and content, with an appropriate sense of audience and some sustained imagination; Clear structure that fits the task; with a sense of purpose; a consistent voice; Some effects of language are attempted and achieved, narrative or descriptive as appropriate; Clear expression with some variety, a few technical inaccuracies. 	
Band 4	10–13	 Clear focus on relevant form and content, with some imaginative touches, and some appropriate sense of audience; Structure is in place though purpose is sometimes unclear; may drift in and out of focus at times; uneven; some voice; Appropriate effects of language are attempted, narrative or descriptive as appropriate; Clear expression, a little unvaried or with a number of technical errors (confusion of tenses, wrong subject/verb agreement, a range of spelling errors, absent punctuation) which limit the ability to achieve effects.

Band 7	0–1	 Work will be inappropriate to the task, confused or incoherent, with little grasp of suitable form or content. Weakness of organisation and technical inaccuracy (confusion of tenses, wrong subject/verb agreement, frequent spelling errors, absent punctuation) will seriously impede the candidate's ability to create an overall impression.
