DESIGN AND TECHNOLOGY

0445/13

Paper 1 Product Design

October/November 2016

MARK SCHEME
Maximum Mark: 50

Published

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge will not enter into discussions about these mark schemes.

Cambridge is publishing the mark schemes for the October/November 2016 series for most Cambridge IGCSE[®], Cambridge International A and AS Level components and some Cambridge O Level components.

® IGCSE is the registered trademark of Cambridge International Examinations.

Р	age 2	Mark Scheme	Syllabus	Pape	er
		Cambridge IGCSE – October/November 2016	0445	13	
1	(a)	Accept any four additional suitable points – lightweight, easy to transpo stable on the bench, takes up small space on bench, sensible shape for Accept other valid responses	•	1 × 4	[4]
	(b)	Accept drawings of any two ways of holding tools – in recess, holes, clip tube, magnet,	ps, slot,	2 × 2	[4]
2	(a)	Accept any four additional suitable points – attractive colour/shape/layo wording, window for drills, easy access to drills, stable as a stand. Accept other valid responses.	ut, simple	1 × 4	[4]
	(b)	Accept drawings of any two holding methods – holes, slots, vacuum for clips, rubber bands. Accept other valid responses.	med tray,	2 × 2	[4]
3	(a)	Accept any four additional suitable points – adjusts to different sizes/sh heatproof, stable in use, access for soldering iron, does not damage iter Accept other valid responses.	•	1 × 4	[4]
	(b)	Accept drawings of any two gripping methods – jaws, crocodile clips, sprubber bands, tapered slots, tweezers. Accept other valid responses.	oring clips,	2 × 2	[4]
