

# UNIVERSITY OF CAMBRIDGE INTERNATIONAL EXAMINATIONS General Certificate of Education Advanced Subsidiary Level and Advanced Level

PSYCHOLOGY 9698/11

Paper 1 Core Studies 1 May/June 2013

1 hour 30 minutes

Additional Materials: Answer Booklet/Paper

#### **READ THESE INSTRUCTIONS FIRST**

If you have been given an Answer Booklet, follow the instructions on the front cover of the Booklet. Write your Centre number, candidate number and name on all the work you hand in.

Write in dark blue or black pen.

Do not use staples, paper clips, highlighters, glue or correction fluid.

Answer all questions.

At the end of the examination, fasten all your work securely together.

The number of marks is given in brackets [ ] at the end of each question or part question.

**International Examinations** 

## Section A (60 marks)

### Answer **all** questions in this section.

ı	truth.				
	(a)	Explain why this is an experiment.	[2]		
	(b)	Outline <b>one</b> advantage of laboratory experiments using Mann et al as an example.	[2]		
2	Loftus and Pickrell studied false memories.				
	(a)	Describe the aim of the study.	[2]		
	(b)	Describe <b>one</b> piece of evidence which supports the aim.	[2]
