

**MARK SCHEME for the June 2005 question paper**

**9706 ACCOUNTING**

**9706/04 Paper 4 Problem Solving (Supplementary Topics),  
maximum raw mark 120**

This mark scheme is published as an aid to teachers and students, to indicate the requirements of the examination. It shows the basis on which Examiners were initially instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began. Any substantial changes to the mark scheme that arose from these discussions will be recorded in the published *Report on the Examination*.

All Examiners are instructed that alternative correct answers and unexpected approaches in candidates' scripts must be given marks that fairly reflect the relevant knowledge and skills demonstrated.

Mark schemes must be read in conjunction with the question papers and the *Report on the Examination*.

- CIE will not enter into discussion or correspondence in connection with these mark schemes.

CIE is publishing the mark schemes for the June 2005 question papers for most IGCSE and GCE Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.

**Grade thresholds** for Syllabus 9706 (Accounting) in the June 2005 examination.

	maximum mark available	minimum mark required for grade:		
		A	B	E
Component 4	120	98	87	45

The thresholds (minimum marks) for Grades C and D are normally set by dividing the mark range between the B and the E thresholds into three. For example, if the difference between the B and the E threshold is 24 marks, the C threshold is set 8 marks below the B threshold and the D threshold is set another 8 marks down. If dividing the interval by three results in a fraction of a mark, then the threshold is normally rounded down.

	Accounting – June 2005	9706	4

<b>(d)</b>	\$000	\$000	\$000	\$000	\$000
Fixed assets	2550				2550.0
Net current assets	<u>950</u>	+250 (1)	-157.5 - 360 (1)		<u>682.5</u>
	3500				3232.5
6% debentures 2005/2006	<u>150</u>	- 150			-
	3350				<u>3232.5 (1) OF</u>
Ordinary shares of \$1	2500		+200		2700.0 (1) (or 0)
10% redeemable preference shares of \$1	300		-300		-
Share Premium account	200	+50 (1)	-7.5 (1)		242.5 (1)OF
Capital Redemption Reserve			+50		50.0 (1)OF
Profit and Loss Account	<u>350</u>		-60 (1)	-50 (1)	<u>240.0 (1)</u>
	<u>3350</u>				<u>3232.5 (1)OF</u>

[14]

**(e)** Cash flow statement

Financing

	\$000	\$000
Issue of ordinary shares of \$1	250.0 (1)	
Redemption of redeemable preference shares	( 360.0 ) (1)	
Redemption of debentures	( <u>157.5</u> ) (1)	( 267.5 )

[3]

**(f)** Following the redemption of the debentures and preference shares, there was expectation that:

- (i)** the earnings for the ordinary shares (EPS) will increase **(1)**
- (ii)** the dividend cover will increase **(1)**
- (iii)** the price earnings ration (PER) will increase **(1)**
- (iv)** the dividend yield will decrease **(1)**
- (v)** gearing will be reduced to nil **(1)**

Other points may be acceptable

(1 mark for identification two further marks for development)

	Accounting – June 2005	9706	4

(c) Budgets

- formalise management plans
- co-ordinate all functions of business
- provide information for ongoing control of business
- warn of possible future shortages of resources
- enable remedial action to be taken
- induce a sense of commitment by management participation
- are an essential tool of responsibility accounting

Other points may be acceptable

(1 mark for each valid point maximum 3 marks)

[3]

(d) Standard costing

- facilitates preparation of budgets
- provides basis for calculating variances
- standards must be kept up-to-date
- standard costs are acceptable for stock valuation.

(Maximum of three points 1 mark for each point)
